Principal Dr. Mrs. S. V. Rajmanya informed the members that Solapur city is made up of multi-lingual worker-community. The City has a huge population of youth with endless potential, but lacks a proper channel of utilizing that potential. By analyzing the local needs and also reaping benefit of academic autonomy, the institute came up with the idea of skill based certificate courses, under which the students will be trained as per needs of industry, so that they won't face any difficulty in securing a job or starting out their own business to become 'Atmanirbhar'.
