Mentoring Meeting Details - Minutes

- **Department:** Physics
- **Name of Mentor:** Dr. Metri P.G.
- **Class and No. of mentees allotted:** 24
 - **Date :** 26/09/2023
 - **Time :** 4.30pm
 - **Agenda:** 1. Study in the library.
2. Study in the college campus.
 - **Minutes:** 1. Students discussed about getting books for studying from the library. According to the students, they hardly get time to study in library as they use to be busy in the departments with theory lectures, practical, activities etc.

2. Students discussed about the peers discussion in the college campus. They shared their opinion about the study with different subjects. All shared their experience of doing practical in different departments.
- **Issues discussed and resolved:** 1. Students unable to understand about getting the books from college library. I have explained about the procedure and they got the access accordingly.
2. Students not understanding about improvement of their communication skills while their study in the college campus. I solved their issue by giving some small works like, writing new English words at least 5 in a day, communicating each other with small English sentences while in the campus etc.

Mentoring Meeting Details - Minutes

- Department: Physics
- Name of Mentor: Dr. Metri P.G.
- Class and No. of mentees allotted: 24
 - Date : 01/11/2023
 - Time : 4.30pm
 - Agenda: 1. Studying the various subjects and the challenges in them.
2. Preparing for the semester end exams (SEEs).
3. Maintaining health while doing all.
4. Communication with new people effectively.
 - Minutes : 1. Students facing problem in study various subjects. All discussed about their own problems with open minded.
2. Played name-game. All students get refreshed and relaxed. All are happy and expressed their opinion about game which we played.
3. Some students are not active in the meeting. I asked the reason, they told about their problems of being quite.
4. I asked them about their preparation and practice of the study. Students told that they were deviating with mobile phones. Many are wasting their precious time in mobile doing nothing other than seeing tik-tak. Each one shared their view about study and ready to leave mobile and study well for the exam.
 - Issues discussed and resolved: . Students facing problem in study various subjects. They were getting confused with the study and unable to find the way to succeed in the exams. All discussed about their own problems with open minded. I helped them to overcome with the issues.
3. Many students faces problem because of the day routine which is not good. I took this opportunity to explain the importance of health in life and be positive always.
4. The students are afraid of SEEs. They were deviating with mobile phones. I suggested the mobile therapy and all laughed. But I explained the seriousness of their life and career afterwards everyone assured me to follow my mobile therapy and get through with SEEs.

Minutes of the Mentoring Meeting for B. Sc. III

Mentoring Meeting:

1. I have conducted a meeting of B. Sc. III Physics students on 11th September 2023 and 12th January 2024 along with the signature of the present students.
2. I have taken an attendance on separate sheet also.
3. I have informed the students about 75 % attendance compulsory policy.
4. I have contacted the absent students and asked to meet me.

Minutes of the Meeting:

I have conducted the mentor – mentee meeting as per the instructions of I/c Principal. The meeting was conducted in the Physics Laboratory at 02:30 pm on **11th September 2023 and 12th January 2024**. I have enquired about the,

- 1) Attendance of the students,
- 2) Understanding level of the syllabus,
- 3) Completion of the practical's,
- 4) Completion of the experiments,
- 5) Any kind difficulty faced by the students

Total 11 students were present for the meeting. Please see the attendance sheet.
