Mentoring Meeting report :- B.Sc. - II

Date:- 22 January 2024

Mentoring meeting of B.Sc. part II students has organized in department of Botany on 22 January 2024 at 11:00 A.M. The students who were allotted to me (Dr. S.M. Dahitnekar) had dialogue with each other and we discussed following points as per agenda.

1. Introduction about mentoring
2. Aim and Objectives of mentoring
3. Presence of students in lectures and in college campus
4. The problems faced by students in campus and problem solving system

Total 16 students were present to the meeting the presenty sheet is attached here with report. In the meeting first discussion was about mentoring and their aims and objectives. The report has been taken about their residential places and during discussion it was found that some students were belongs to remote places and specially girls regularly facing the problem of transportation because of that they couldn't reach to college on time. Also some boys were doing part-time jobs with their education hence are not able to attain the lectures regularly. Such students were advised that they should shift their job timing and try to attain college regularly., some students had problems regarding their library cards book issuing and availability of books, mentor suggested them that they should contact him if any such problems arises any time. All students were interacted freely with mentor and after a thorough discussion the meeting was concluded .
