PLAN OF ACTION & ACTION TAKEN BY IQAC

Plan of Action	Achievements/Outcomes
Introduction of NEP 2020	From June 2023 the College as per the guidelines of State Government, implemented successfully NEP in all programs at first year UG and PG level.
Reformed examination pattern according to NEP	According to NEP standards, the examination pattern has been modified to a 40:60 pattern as of this year, with 60% representing the Semester End Examination and 40% representing the Continuous Internal Evaluation. A pattern of 50:50 has been accepted in case of practical exam.
Enhancing research ecosystem in the institution	Increase in number of research papers of faculties published in reputable journals i.e. UGC CARE LIST journals/ Scopus and Web of Science. Publishing of high-caliber research articles in peer-reviewed journals have also been the initiative of faculties. The total number of publications during the year was 56

Induction program for students	Student induction program were organized to help students to adapt smoothly with the new NEP learning environment by assisting them in identifying their own potential and strengthen their unique abilities. Students were benefited from the induction program, which helped them to familiarize themselves with the college, department, activities, and facilities.
Mentoring for Students	The introduction of mentoring for students in all academic programs has improved student counseling, particularly with regard to career advancement.
Strengthening Entrepreneurship Development Cell	Through ‘Udyomodaya’ the Entrepreneurship Development Cell annual activities are organized. To foster the spirit of entrepreneurship, initiatives are taken by the faculties to include ‘Entrepreneurship Development’ / Fundamentals of Entrepreneurship course in the curriculum. ‘Entrepreneurial Skills’ course has been introduced according to NEP guidelines as a Skill Enhancement Course for BCOM Marketing students. Initiatives were taken by the college during the year to host business idea presentations, an entrepreneur/marketing expo. Students competing in PAH Solapur University’s Avishkar Research Contest 2023 chose a variety of research topics with a particular emphasis on the ‘Future of Entrepreneurship’.
Facilitate experiential learning among young learners	Students gained an opportunity to gain firsthand knowledge by participating in field trips. Marketing expos, industrial outings, problem-solving techniques, and so forth.
